

Preferred Pediatrics

Dear Parent:

Preferred Pediatrics follows the guidelines for well checks suggested by the American Academy of Pediatrics (AAP). Not all insurance companies agree with the guidelines and may not cover the cost.

Please contact your insurance company and verify what well visits they do cover as part of your benefits. If different from AAP guidelines, discuss with your pediatrician.

Preferred Pediatrics does a newborn, 2-4 week, 2 month, 4 month, 6 month, 9 month, 12 month, 15 month, 18 month and 24 month well check. After this the visits are done on a yearly basis.
